2017 Southwest Challenge Series,  
A Duathlon and Triathlon Championship  
The Oldest and Largest Duathlon and Triathlon Series in the World**

## THE RULES

The 2017 Southwest Challenge Series links up the premier Duathlons and Triathlons in southern New Mexico and West Texas. Point standings are kept for each race based on finish by category with champions being crowned at the end of the season.

Anyone can participate. There is no extra cost for inclusion in the series. Entrance into any of the Southwest Challenge Series events will automatically make one eligible, and everyone is invited to enter all of these outstanding races.

Points will be accumulated from your best (8) eight finishes. However, there is a minimum of 6 races required to be considered for year end awards.

The SWCS scoring formula is:  
10pts (race completion) + 10pts (division winner) =  
20pts awarded

Your age for ALL series events is your December 31, 2017 age. Please assist our points keeper by entering the proper age group in each event. Points will be tabulated by computer and awards given to the top three finishers in each category.
