## THE RULES

The 2018 Southwest Challenge Series links up the premier Duathlons and Triathlons in southern New Mexico and West Texas. Point standings are kept for each race based on finish by category with champions being crowned at the end of the season.

Anyone can participate. There is no extra cost for inclusion in the series. Entrance into any of the Southwest Challenge Series events will automatically make one eligible, and everyone is invited to enter all of these outstanding races.

Points will be accumulated from your best (8) eight finishes. However, there is a minimum of 6 races required to be considered for year end awards.

Ten points will be awarded for each race completed, up to eight races; an additional 2.5 points awarded for each completed race over eight.

Top 10 division winners will also be awarded an additional 10 pts, runner's up 9 pts, etc. with exception of the Buffalo Springs Lake 70.3 Triathlon having a 1.25 multiplier award bonus, i.e. 10 points x 1.25= 12.5 points.

The SWCS scoring formula is:  
10pts (race completion) + 10pts (division winner) =  
20pts awarded

Your age for ALL series events is your December 31, 2018 age. Please assist our points keeper by entering the proper age group in each event. Points will be tabulated by computer and awards given to the top three finishers in each category.
