

**30th Annual 2020 Southwest Challenge Series,
A Duathlon and Triathlon Championship
The Oldest and Largest Duathlon and Triathlon Series in the World**

FIRST, THE RULES

The 2020 Southwest Challenge Series links up the premier Duathlons and Triathlons in southern New Mexico and West Texas. Point standings are kept for each race based on finish by category with champions being crowned at the end of the season.

Anyone can participate. There is no extra cost for inclusion in the series. Entrance into any of the Southwest Challenge Series events will automatically make one eligible, and everyone is invited to enter all of these outstanding races.

Points will be accumulated from your best (8) eight finishes; there is no required minimum of races to be considered for yearend awards. Ten points will be awarded for each race completed, up to eight races; an additional 2.5 points awarded for each completed race over eight.

Top 10 winners in each division will also be awarded an additional 10 pts, runner's up 9 pts, 8 points for third, etc. with exception of the **Milkman Triathlon** having a 1.25 multiplier award bonus, i.e. 10 points x 1.25= 12.5 points.

The SWCS scoring formula is:

$$10\text{pts (race completion)} + 10\text{pts (division winner)} = 20\text{pts awarded}$$

Your age for ALL series events is your December 31, 2020 age. Please assist our points keeper by entering the proper age group in each event. Points will be tabulated by computer and awards given to the top three finishers in each category.
